The MyHealth mobile app is my way to manage and keep track of the details of my account.

On screen copy:
MyBalances
MyReceipts
MyClaims
MyPayments

It's my balance checker, receipt organizer, my claims filer, and payment center.

MyAccounts
MyActivity

[Scrolling the MyHealth dashboard on the home screen of the mobile app, a hand icon points to the HSA for Life[®] account and the screen shows recent activity]

I can view balances right on the home screen. By choosing one of my accounts, I can scroll through my recent activity — including payments and transfers.

MyHealth
MyPayments

And it's simple to make a payment on the app to my doctor or reimburse myself for an expense I've already paid.

On screen copy:

MyReceipts

[MyHealth mobile app home screen scrolls to show "View and Upload Receipts"; a hand icon clicks "View and Upload Receipts". Full-screen lifestyle video of a woman scanning a receipt from her phone animates on-screen]

I'm able to quickly upload and store receipts, invoices and explanation of benefits documents just by snapping a picture.

On screen copy:

MyClaims
MyOrganizer

[MyHealth mobile app upload receipts screen animating to show four scanned receipts]

Then, when I need to file a claim, I can easily attach the image right from my Receipt Organizer, and it'll be marked as used.

On screen copy:

MyTasks

[MyHealth mobile app home screen shows the action items]

My Tasks is where I can see any actions I need to take, such as submitting a receipt for my claim.

On screen copy:

MyChecker

[MyHealth mobile app Eligible Expense Scanner screen showing a barcode being scanned. Then, a green circle and checkmark animate showing that the scanned item is eligible.]

When shopping, I can check to see if an item is qualified by using my eligible expense scanner.

On screen copy:

MyContributions

[MyHealth mobile app contribution screen shows how to make an additional contribution]

And since I have an HSA, it's also the convenient way to make an additional contribution.

On screen copy:
MyFunds

[MyHealth mobile app investment portfolio screen showing funds]

On screen copy:
MyPlan

[MyHealth mobile app HSA contribution screen showing how much more the user can contribute to their HSA for the year]

The app lets me quickly view my investment balance, fund performance and trade activity — and shows me how much more I can contribute to my HSA for the year.

On screen copy:
MyProfile

[MyHealth mobile app HSA profile menu screen animating into the Documents menu]

Under my Profile, I can view statements, tax documents, notifications or manage my debit card.
